Arcadia Health Care Awarded Certification from The Joint Commission

Redding, CA, January 14, 2011 – Arcadia Health Care has achieved the Gold Seal of Approval for Health Care Staffing Services Certification from The Joint Commission for its Redding location.

Arcadia underwent an on-site review of its compliance with national standards that assess how staffing firms determine the qualifications and competency of their staff, how they place their staff, and how they monitor staff's performance.

“Health care organizations that contract with Arcadia can look to Joint Commission certification as an assurance that Arcadia demonstrates a commitment to providing and continuously improving quality services,” says Michele Sacco, M.S., Executive Director Health Care Staffing Services Certification, The Joint Commission.

The Joint Commission's certification program, launched in October 2004, offers an independent, comprehensive evaluation of a staffing firm's abilities to provide competent staffing services.

“Certification recognizes Arcadia's dedication to providing Registered Nurses, Licensed Vocational Nurses, Certified Nurse Aides, EEG Technicians and Respiratory Therapists that are qualified to provide safe, high-quality care to patients, “ said Timothy Araiza, Executive Administrator. “We're proud to receive The Joint Commission Gold Seal of Approval”.
